STUDIO 3

## STUDIO 3

Dynamic. Contemporary. Vibrant. Welcome to Studio 3. This lively venue is fast becoming one of Crown's most popular venues.

When you step inside Studio 3 you enter another world. With four distinct areas of designer floor space you will find plenty of room to move. The main level can cater for up to 240 guests with a dance floor while the stylish and modern mezzanine level offers a private bar area overlooking the main floor.

To create a truly exciting environment, Studio 3 features its very own private bar area, popular for pre and post event drinks. It also boasts a private outdoor deck offering unrivalled views over the Yarra River and Melbourne's city skyline.

Designed to embrace the feel of a modern film studio, Studio 3 combines state of the art LED lighting and programmable moving lights with a high end digital sound system to create the ultimate sensory experience.

For something a little different, Studio 3 offers the latest in catering experiences. With a capacity to cater for up to 800 guests, Vertical Dining is proving to be popular alternative for a number of exciting events including product launches, fashion shows and celebrations.

So whether it's catering, entertainment, audiovisual support, or theming utilising dramatic LED lighting, our professional team will assist you with all the details to make your event come alive.
